

# AEROSPACE

TACOMA-PIERCE COUNTY  
WASHINGTON (USA)

## SOURCING & PARTNERSHIP GUIDE

### → ANALYTICAL SERVICES

**PM Testing Laboratory** ITAR; NADCAP  
**Tool Gauge** AS9100D; ISO9001:2015, ITAR

### → ASSEMBLY

**AIM Aerospace** Advanced composite products; AS9100C; AS9100D; ISO9001:2008; ISO9001:2015; ITAR; NADCAP  
**Delta Tooling** Boeing NW Provisioner; ITAR  
**MetalTech** AS9100: ISO9001  
**OMADA International** Kitting and assembly; AS9100C: ISO9001  
**PnJ Machining** Major aircraft assemblies; AS9100C; ISO9001; ITAR; NADCAP  
**Quality Stamping and Machining** AS9100C & D; ISO9001; ITAR  
**RTC Aerospace** Complex component assembly; AS9100; ISO9001; ITAR  
**Saint-Gobain Performance Plastics** Component assembly; ISO14001; ISO9001:2008; ITAR  
**Tool Gauge** Complex plastic and metal assemblies; AS9100D; ISO9001:2015, ITAR

### → CAD/CAM DESIGN

**3V Precision Machining** ISO9001  
**AIM Aerospace** Design, prototyping; AS9100C; AS9100D; ISO9001:2008; ISO9001:2015; ITAR; NADCAP  
**Delta Tooling** Boeing NW Provisioner; ITAR  
**NW Etch** CAD/in-house plotting; ISO9001:2015; ITAR  
**PnJ Machining** AS9100C; ISO9001; ITAR; NADCAP  
**RTC Aerospace** SmartCam, Mastercam, CADKEY, Catia/Enovia; AS9100; ISO9001; ITAR

### Quality Stamping and Machining

Mastercam 10, IGES translation; Catia V5/V4; AS9100C; ISO9001; ITAR; AS9100D

### → ENGINEERING

**3V Precision Machining** CNC milling and turning, specialist in hard metals such as super alloys; ISO9001  
**AIM Aerospace** Design, analysis & prototyping production of advanced composite products; AS9100C & D; ISO9001:2008; ISO9001:2015; ITAR; NADCAP  
**MetalTech** AS9100; ISO9001  
**NW Etch** Precision photochemical machining of thin metal components; ISO9001:2015; ITAR  
**Tool Gauge** Complex plastic and metal aerospace parts and assemblies; AS9100D; ISO9001:2015, ITAR  
**VM Products** Applications engineering

### → FABRICATION, MACHINING

**3V Precision Machining** CNC milling and turning, specialist in hard metals such as super alloys; ISO9001  
**Baker Manufacturing** Composite layup molds & vacuum fixtures, drill jig & trim fixtures; AS9100C; ISO9001:2008  
**Cadence Aerospace** Hard metal service provider; AS9100C  
**Delta Tooling** Boeing NW Provisioner; ITAR  
**Farwest Aircraft** Boeing and MRJ tools & electrical testing equipment; AS9100D; ISO9001  
**General Plastics** Flexible and rigid polyurethane materials and full assemblies for flight deck, cabin interiors, and high-temperature composite tooling; AS9100D; ISO9001:2015; ITAR; NADCAP

**Hunter Mftg** Precision milling, turning  
**MetalTech** Vacuum compaction tables, drill jigs for wing assemblies; AS9100 ; ISO9001

**Morley Machine Tool Alignment** Metrology services, CNC service and repair  
**Norfil** CNC (3, 4 & 5 axis), profiling, vertical & horizontal milling, boring & turning; titanium, Inconel, Monel, steel & alloys; AS9100C; ISO9001:2008; ITAR  
**Northwest Precision** CNC & conventional precision machining; AS9100B; ISO9001:2000  
**NW Etch** Precision photochemical machining of thin metal components; ISO9001:2015; ITAR

**OMADA International** 3, 4 & 5 axis hard/soft metals machining up to 4m, complex titanium HOT forming; AS9100C; ISO9001  
**PnJ Machining** Machining up to 6.1m rail/beam from extrusions, milling, precision turning, boring, honing, forming, shearing; AS9100C; ISO9001; ITAR; NADCAP

**Quality Stamping and Machining** 3, 4 & 5 axis machined aluminum, steel and titanium parts and assemblies, hydroforming, draw forming; AS9100C & D; ISO9001; ITAR

**Rentiel Precision Laser** Multi-axis 3-dimensional laser cutting of complex sheet metal details and assemblies made from titanium, Inconel, stainless steel

**RTC Aerospace** Machining of all types of metals and plastic, including high nickel alloys, titanium, high heat-treat alloy steels, stainless steel, and complex component assembly; AS9100; ISO9001; ITAR

**Streich Brothers** Welding structural fabrication, industrial maintenance, rolling & forming; WABO; AWS D1.1

**Tool Gauge** Complex plastic and metal parts and assemblies; AS9100D; ISO9001:2015, ITAR

**Woodland Trade Company** Metal and fiberglass molding; ISO9001

#### → METAL FINISHING

**3V Precision Machining** Specialist in hard metals such as super alloys; ISO9001

**PM Testing Laboratory** Specialty finishing services; ITAR; NADCAP

#### → PLASTICS, COMPOSITES, AND ADVANCED MATERIALS

**AIM Aerospace** AS9100C & D; ISO9001:2008; ISO9001:2015; ITAR; NADCAP

**Delta Tooling** Composite tooling; Boeing NW Provisioner; ITAR

**General Plastics** Manufacturer of flexible and rigid polyurethane materials, high-temperature composite tooling; ISO9001:2015/AS9100D; ITAR; FAA Test Facility; NADCAP

**GKN Aerospace** Composites; additive manufacturing; winglets; ISO9001:2015; ISO TS16949:2009

**Globe Machine Manufacturing** Presses, out-of-autoclave rapid cure systems, fiber placement, tape layer machines, robotic handling equipment

**Pacific Coast Composites** Distributor of advanced composite materials

**PnJ Machining** Machining 6.1m rail/beam from extrusions, milling, precision turning, boring, honing, forming, shearing; AS9100C; ISO9001; ITAR; NADCAP

**Quality Stamping and Machining** AS9100C & D; ISO9001; ITAR

**Saint-Gobain Performance Plastics** Custom thermo-formed and composite parts; ISO14001; ISO9001: 2008; ITAR

**Service Steel Aerospace** Distributor of titanium, stainless steel, nickel base alloy, and alloy steel; AS9120; ISO9001

**Tool Gauge** Complex plastic parts and assemblies; Boeing D1-4426/BAC5321 Class I and II approved plastic supplier; AS9100D; ISO9001:2015, ITAR

**Toray Composite Materials (America)** Advanced fiber prepreg materials; AS9100; ISO14001; ISO9001; NADCAP

#### → SUPPLIERS & MANUFACTURERS

**Aeroforge** Manufacturer of tooling, ground support equipment; AS9100C; ISO9001

**American Autoclave Company** Supplies, calibrates, and repairs autoclaves, composite and oven systems

**Bas** General aviation safety harnesses and accessories; STC-holder

**Future Metals** Tubing; aerospace metals distributor; DFARS compliant, LCS approved; AS9100C ; ISO9001:2008

**Globe Machine Manufacturing** Presses, out-of-autoclave rapid cure systems, fiber placement, tape layer machines, robotic handling equipment

**GKN Aerospace** Composites, additive manufacturing; ISO TS16949:2009; ISO9001:2015

**HeliTrak** Safety devices, flight guidance and stabilization systems for rotorcraft; FAA Approved Parts Manufacturer

**Mitsui-Soko** Storage, transport, and delivery of raw material/components for aerospace supply chain; AS 9120 (pending); ISO9001

**PnJ Machining** Up to 6.1m rail/beam from extrusions, milling, boring, honing, forming; AS9100C; ISO9001; ITAR; NADCAP

**Quality Stamping and Machining** 3, 4 & 5-axis machined aluminum, steel and titanium parts and assemblies, hydro-forming, draw forming; AS9100C & D; ISO9001; ITAR

**Service Steel Aerospace** Distributor of titanium, stainless steel, nickel base alloy, and alloy steel; AS9120; ISO9001

**Toray Composite Materials (America)** Advanced fiber prepreg materials; AS9100; ISO14001; ISO9001; NADCAP

#### → TESTING

**3V Precision Machining** Specialist in hard metals such as super alloys; ISO9001

**AIM Aerospace** AS9100C & D; ISO9001:2008; ISO9001:2015; ITAR; NADCAP

**General Plastics** Physical property and flammability testing; FAA Test Facility

**PM Testing Laboratory** Non-destructive testing, fluorescent penetrant, magnetic particle, ultrasonic & radiographic inspection; NADCAP

**PnJ Machining** AS9100C; ISO9001; ITAR; NADCAP

**Quality Stamping and Machining** AS9100C; AS9100D; ISO9001; ITAR

**Tool Gauge** AS9100D; ISO9001:2015, ITAR

**VM Products** Non-destructive test development

#### → TOOLING

**3V Precision Machining** Specialist in hard metals such as super alloys; ISO9001

**Aeroforge** AS9100C; ISO9001

**Baker Manufacturing** Composite layup molds & vacuum fixtures, drill jig & trim fixtures; AS9100C; ISO9001: 2008

**Composite Solutions** Designs and fabricates lay-up tools; Boeing, Bell and MD Helicopters supplier

**Delta Tooling** Composite tooling, tooling supplier, Boeing NW Provisioner; ITAR

**Farwest Aircraft** Manufacturer of Boeing and MRJ tools & electrical testing equipment; AS9100D; ISO9001

**General Plastics** High-temperature composite tooling; AS9100D; ISO9001:2015; ITAR; FAA Test Facility; NADCAP

**Hunter Manufacturing** Tool design

**MetalTech** Vacuum compaction tables, drill jigs for wing assemblies; AS9100 ; ISO9001

**Morley Machine Tool Alignment** Metrology services, CNC service and repair

**Tool Gauge** Tooling to specifications; AS9100D; ISO9001:2015, ITAR
