

AEROSPACE

TACOMA-PIERCE COUNTY

WASHINGTON (USA)

SOURCING & PARTNERSHIP GUIDE

→ ANALYTICAL SERVICES

PM Testing Laboratory ITAR; NADCAP

Tool Gauge AS9100D; ISO9001:2015, ITAR

→ ASSEMBLY

AIM Aerospace Advanced composite products; AS9100D; ISO9001:2015; ITAR; NADCAP

Delta Tooling Boeing NW Provisioner; ITAR

General Plastics Flexible and rigid polyurethane materials and full assemblies for flight deck, cabin interiors; AS9100D; ISO9001:2015; ITAR; NADCAP

GlobalTech Plastics AS9100; ISO9001

MetalTech AS9100; ISO9001

OMADA International Kitting and assembly; AS9100C; ISO9001

P&J Machining Major aircraft assemblies; AS9100C; ISO9001; ITAR; NADCAP

Quality Stamping and Machining AS9100C & D; ISO9001; ITAR

RTC Aerospace Complex component assembly; AS9100; ISO9001; ITAR

Saint-Gobain Performance Plastics Component assembly; ISO14001; ISO9001:2008; ITAR

Tool Gauge Complex plastic and metal assemblies; AS9100D; ISO9001:2015, ITAR

→ CAD/CAM DESIGN

3V Precision Machining ISO9001

Delta Tooling Boeing NW Provisioner; ITAR

GlobalTech Plastics AS9100; ISO9001

NW Etch CAD/in-house plotting; ISO9001:2015; ITAR

P&J Machining AS9100C; ISO9001; ITAR; NADCAP

RTC Aerospace SmartCam, Mastercam, CADKEY, Catia/Enovia; AS9100; ISO9001; ITAR

Quality Stamping and Machining Mastercam 10, IGES translation; Catia V5/V4; AS9100C; ISO9001; ITAR; AS9100D

→ ENGINEERING

3V Precision Machining CNC milling and turning, specialist in hard metals such as super alloys; ISO9001

AIM Aerospace Design, analysis & prototyping production of advanced composite products; AS9100D; ISO9001:2015; ITAR; NADCAP

GlobalTech Plastics AS9100; ISO9001

MetalTech AS9100; ISO9001

NW Etch Precision photochemical machining of thin metal components; ISO9001:2015; ITAR

Saint-Gobain Performance Plastics

Design, analysis, test & certification of composite parts; ISO9001; AS9100:2016; FAA Repair Station

Tool Gauge Complex plastic and metal aerospace parts and assemblies; AS9100D; ISO9001:2015, ITAR

VM Products Applications engineering

→ FABRICATION, MACHINING

3V Precision Machining CNC milling and turning, specialist in hard metals such as super alloys; ISO9001

Baker Manufacturing Composite layup molds & vacuum fixtures, drill jig & trim fixtures; AS9100C; ISO9001: 2008

Cadence Aerospace Hard metal service provider; AS9100C

Delta Tooling Boeing NW Provisioner; ITAR

Farwest Aircraft Boeing and MRJ tools & electrical testing equipment; AS9100D; ISO9001

General Plastics Flexible and rigid polyurethane materials and full assemblies for flight deck, cabin interiors, and high-temperature composite tooling; AS9100D; ISO9001:2015; ITAR; NADCAP

Hunter Manufacturing Precision milling, turning

MetalTech Vacuum compaction tables, drill jigs for wing assemblies; AS9100; ISO9001

Morley Machine Tool Alignment Metrology services, CNC service and repair

Norfil CNC (3, 4 & 5 axis), profiling, vertical & horizontal milling, boring & turning; titanium, Inconel, Monel, steel & alloys; AS9100C; ISO9001: 2008; ITAR

Northwest Precision CNC & conventional precision machining; AS9100B; ISO9001:2000

NW Etch Precision photochemical machining of thin metal components; ISO9001:2015; ITAR

OMADA International 3, 4 & 5 axis hard/soft metals machining up to 4m, complex titanium HOT forming; AS9100C; ISO9001

P&J Machining Machining up to 6.1m rail/beam from extrusions, milling, precision turning, boring, honing, forming, shearing; AS9100C; ISO9001; ITAR; NADCAP

Quality Stamping and Machining 3, 4 & 5 axis machined aluminum, steel and titanium parts and assemblies, hydroforming, draw forming; AS9100C & D; ISO9001; ITAR

Rentel Precision Laser Multi-axis 3-dimensional laser cutting of complex sheet metal details and assemblies made from titanium, Inconel, stainless steel

RTC Aerospace Machining of all types of metals and plastic, including high nickel alloys, titanium, high heat-treat alloy steels, stainless steel, and complex component assembly; AS9100; ISO9001; ITAR

Streich Brothers Welding structural fabrication, industrial maintenance, rolling & forming; WABO; AWS D1.1

Tool Gauge Complex plastic and metal parts and assemblies; AS9100D; ISO9001:2015, ITAR

Woodland Trade Company Metal and fiberglass molding; ISO9001

→ **METAL FINISHING**

3V Precision Machining Specialist in hard metals such as super alloys; ISO9001

PM Testing Laboratory Specialty finishing services; ITAR; NADCAP

→ **PLASTICS, COMPOSITES, AND ADVANCED MATERIALS**

AIM Aerospace AS9100D; ISO9001:2015; ITAR; NADCAP

Delta Tooling Composite tooling; Boeing NW Provisioner; ITAR

General Plastics Manufacturer of flexible and rigid polyurethane materials, high-temperature composite tooling; ISO9001:2015/AS9100D; ITAR; FAA Test Facility; NADCAP

GKN Aerospace Composites; additive manufacturing; winglets; ISO9001:2015; ISO TS16949:2009

GlobalTech Plastics Injection molding; AS9100; ISO9001

Globe Machine Manufacturing Presses, out-of-autoclave rapid cure systems, fiber placement, tape layer machines, robotic handling equipment

Pacific Coast Composites Advanced composite materials distributor; ISO9001:2015

P&J Machining Machining 6.1m rail/beam from extrusions, milling, precision turning, boring, honing, forming, shearing; AS9100C; ISO9001; ITAR; NADCAP

Quality Stamping and Machining AS9100C & D; ISO9001; ITAR

Saint-Gobain Performance Plastics Custom radomes and thermo-formed and composite parts; ISO9001; ISO14001; AS9100:2016; FAA Repair Station

Service Steel Aerospace Distributor of titanium, stainless steel, nickel base alloy, and alloy steel; AS9120; ISO9001

Tool Gauge Complex plastic parts and assemblies; Boeing D1-4426/BAC5321 Class I and II approved plastic supplier; AS9100D; ISO9001:2015, ITAR

Toray Composite Materials (America) Advanced fiber prepreg materials; AS9100;

ISO14001; ISO9001; NADCAP

→ **SUPPLIERS & MANUFACTURERS**

Aeroforge Manufacturer of tooling, ground support equipment; AS9100C; ISO9001

American Autoclave Company Supplies, calibrates, and repairs autoclaves, composite and oven systems

BAS General aviation safety harnesses and accessories; STC-holder

Future Metals Tubing; aerospace metals distributor; DFARS compliant, LCS approved; AS9100C; ISO9001:2008

Globe Machine Manufacturing Presses, out-of-autoclave rapid cure systems, fiber placement, tape layer machines, robotic handling equipment

GKN Aerospace Composites, additive manufacturing; ISO TS16949:2009; ISO9001:2015

HeliTrak Safety devices, flight guidance and stabilization systems for rotorcraft; FAA Approved Parts Manufacturer

Mitsui-Soko Storage, transport, and delivery of raw material/components for aerospace supply chain; AS9120:2016; ISO9001:2015

P&J Machining Up to 6.1m rail/beam from extrusions, milling, boring, honing, forming; AS9100C; ISO9001; ITAR; NADCAP

Quality Stamping and Machining 3, 4 & 5-axis machined aluminum, steel and titanium parts and assemblies, hydro-forming, draw forming; AS9100C & D; ISO9001; ITAR

Service Steel Aerospace Distributor of titanium, stainless steel, nickel base alloy, and alloy steel; AS9120; ISO9001

Toray Composite Materials (America) Advanced fiber prepreg materials; AS9100; ISO14001; ISO9001; NADCAP

→ **TESTING**

3V Precision Machining Specialist in hard metals such as super alloys; ISO9001

AIM Aerospace AS9100D; ISO9001:2015; ITAR; NADCAP

General Plastics Physical property and flammability testing; FAA Test Facility

PM Testing Laboratory Non-destructive testing, fluorescent penetrant, magnetic

particle, ultrasonic & radiographic inspection; NADCAP

P&J Machining AS9100C; ISO9001; ITAR; NADCAP

Quality Stamping and Machining AS9100C; AS9100D; ISO9001; ITAR

Saint-Gobain Performance Plastics Radio frequency testing; FAA Repair Station

Tool Gauge AS9100D; ISO9001:2015, ITAR

VM Products Non-destructive test development

→ **TOOLING**

3V Precision Machining Specialist in hard metals such as super alloys; ISO9001

Aeroforge AS9100C; ISO9001

Baker Manufacturing Composite layup molds & vacuum fixtures, drill jig & trim fixtures; AS9100C; ISO9001: 2008

Composite Solutions Designs and fabricates lay-up tools; Boeing, Bell and MD Helicopters supplier

Delta Tooling Composite tooling, tooling supplier, Boeing NW Provisioner; ITAR

Farwest Aircraft Manufacturer of Boeing and MRJ tools & electrical testing equipment; AS9100D; ISO9001

General Plastics High-temperature composite tooling; AS9100D; ISO9001:2015; ITAR; FAA Test Facility; NADCAP

GlobalTech Plastics AS9100; ISO9001

Hunter Manufacturing Tool design

MetalTech Vacuum compaction tables, drill jigs for wing assemblies; AS9100; ISO9001

Morley Machine Tool Alignment Metrology services, CNC service and repair

Tool Gauge Tooling to specifications; AS9100D; ISO9001:2015, ITAR

The Economic Development Board for Tacoma-Pierce County (EDB) helps companies looking to relocate or expand in Pierce County with market information, site selection, collaboration with state and local officials, connections to workforce training and more. Discover the endless opportunities that await you in Pierce County, Washington, U.S.A.
